

THE MIAMI FOUNDATION

The Power of Connection:
Building a Stronger Miami Together
Annual Report 2025

The Miami Foundation is building a Greater Miami where everyone can thrive.

Since 1967, The Foundation has invested more than $905M to strengthen our community in partnership with over 1,000 fundholders and 60,000 donors. By accelerating leadership, generosity, and a sense of belonging across Miami, we inspire people to become changemakers, and we create ways for donors, nonprofits, leaders, and locals to work together on solutions for our community.

At The Miami Foundation, everyone has a role they can play in creating a thriving Greater Miami.

Leadership | Connection | Generosity | Strength

In 2025, Miami reminded us — repeatedly — what is possible when a community believes in itself. Over the past year, every time we named something ambitious for our city, Miami responded loudly and clearly: "We'll do that, and then some."

We felt it when the skies opened at the State of Black Philanthropy event, pouring down on every carefully crafted detail. Instead of seeking shelter, we danced in the rain, joined by nonprofit leaders, donors, Miamians — choosing joy above all.

We celebrated it when more than 3,000 people showed up for our inaugural Give Miami Day 5K & Festival, many before the sun rose, ready to connect, raise funds, and race for someone or something they care deeply about.

We saw it when a record-breaking 900+ nonprofits shared their powerful stories of impact with us to apply for our signature Community Grants cycle, signaling the appetite and magnitude of champions solving critical problems for Miami.

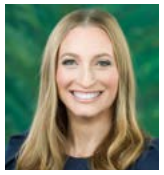

And we witnessed it in the extraordinary number of leaders – 169 Miamians – who raised their hands to apply for our Miami Fellows program, eager to help shape the future of our community.

We also set an ambitious goal of reaching **$1 billion** in donations to the community by the end of 2026. We couldn't be prouder to share that we ended 2025 with $905 million in donations — on the path to reach our goal to pour into Miami in BIG and BOLD ways.

These moments tell the story of a community willing to exceed expectations. But in 2025, Miami showing up felt different — more urgent, more consequential. In a year marked by uncertainty across the country, when many communities faced defining crossroads, Miami did not retreat. It stepped forward with greater resolve, reminding us why we are proud to call this place home. This is the result of countless Miamians choosing to put something bigger than themselves first.

Three years ago, we stepped back and asked a big question: *How do we, as a community catalyst, accelerate the spirit that makes Miami unmistakably Miami?* Not just preserve it. Not just admire it. But fuel it. After more than 300 hours of listening, analysis, conversation, and reflection with partners across our community, we landed on four pillars that now anchor everything we do: **LEADERSHIP. CONNECTION. GENEROSITY. STRENGTH.** These aren't just words on a page. They're a commitment we made to our community.

In this year's report, we revisit why each of these pillars matters and how they've propelled our collective impact in 2025. This work belongs to all of us. So, as you read on, we invite you to see yourself in these pages. Because what you'll find here isn't just what we did. It's what you helped make possible for Miami. And we're just getting started.

LEADERSHIP

Why did we invest in accelerating leadership for Greater Miami?

Because lasting change comes from the people already rooted here, and we believe in amplifying what local leaders are building by closing any knowledge and resource gaps.

PRESS FORWARD SOUTH FLORIDA & ESSERMAN-KNIGHT JOURNALISM AWARDS

LEADING FOR LOCAL JOURNALISM

With seed funding from the Knight Foundation and Press Forward, and in partnership with other community foundations across Broward, Miami-Dade, and Monroe counties, we launched **Press Forward South Florida** to expand access to trusted local news and build on Press Forward's national momentum. Throughout the year, we strengthened relationships across the media ecosystem, supported newsroom capacity, and partnered with Florida International University and the American Journalism Project to map the region's media assets and gaps by surveying over 1,500 residents.

At the 2025 **Esserman-Knight Journalism Awards**, we honored six teams for outstanding investigative journalism and public service reporting. That night also recognized Alberto Ibargüen as a trailblazer in strengthening Miami's information ecosystem.

THE MIAMI FELLOWS PROGRAM

MIAMI'S LEADING EIGHTEEN

Since 1999, **The Miami Fellows program** has been one of the Foundation's most powerful tools for nurturing responsive leadership for our community. In 2025, we announced the latest cohort after a highly competitive process with unprecedented interest from hundreds of Miami's leading minds. Guided by the wisdom of 23 advisory members, we are proud to welcome **Miami Fellows Class XII**: a dynamic group of 18 professionals who are ready to bring Miami into its next chapter with their collective experience and insights.

Powered by KNIGHT FOUNDATION and W.K. KELLOGG FOUNDATION

> Leadership is the courage to stand up for equity, the imagination to see what's possible, and the compassion to ensure that as we grow, we bring everyone along. The Miami Fellows embody this spirit. The Foundation's commitment to this program reflects a simple truth: when you pour into people, they pour back into the place they call home."

SALTWATER FELLOWSHIP

LEADING WITH EQUITY

Inspired by our urgency to address the racial inequities we saw in our community data, The Miami Foundation created the inaugral **Saltwater Fellowship**. The Fellowship provides unrestriced resources, leadership development, and community for local champions bringing systemic change to Miami. In 2025, the 10 Fellows kicked off their leadership journey: 11 'labs', each thoughtfully curated and rooted in rest, equity, capacity-building, and cultural grounding, hosted in historically Black neighborhoods. After a year of learning from policymakers, media experts, community elders and each other, the Saltwater Fellows are taking on the next year of the Fellowship equipped with stronger relationships and a shared vision of building a stronger Miami.

> This Fellowship raised our profile — and with that came funding, influence, and affirmation."

FELLOW SPOTLIGHT | SALTWATER FELLOWSHIP

Fritzie Saintoiry

Founder & CEO
Genesis Hopeful Haven

Through the Saltwater Fellowship, Fritzie deepened her leadership as a systems thinker and bold advocate. Under her guidance, Genesis Hopeful Haven expanded from one to eight supportive housing sites, now serving 90+ youth from the foster care system on pathways to long-term independence.

The Fellowship helped Fritzie embrace storytelling as a tool for impact. With renewed confidence and strengthened operational support, Fritzie is scaling her work strategically — securing funding, building partnerships, and advancing a stronger future for Miami's youth. She also began laying the groundwork for a youth empowerment hub in Opa-locka, in collaboration with other Saltwater Fellows.

"We're not just giving them shelter — we're investing in American citizens in a way that allows them to be civil contributors to our society."

Fritzie's leadership reminds us that systems change begins when someone dares to believe that our most overlooked youth deserve not just help — but a future.

CONNECTION

Why is connection essential to lasting impact for Miami?

Because Miami isn't just one story — it's hundreds of them, woven together. Connection is how we honor our diversity — and invest in what comes next for Miami.

STATE OF BLACK PHILANTHROPY

CONNECTING MIAMI'S PAST AND FUTURE

For a decade, the State of Black Philanthropy has united Miami to reflect, invest, and act together for Black-led impact. In 2025, on its **tenth anniversary**, we gathered in historic Overtown in joy and celebration. For the third time in a row, we published our **State of Black Philanthropy report**, with this year's data shining a light on Black Miami's freedom to live, thrive and write the future.

We also honored five incredible community champions:

- **Valencia Gunder,** The Smile Trust & The Black Collective
- **Cornell Crews Jr.,** The Community Reinvestment Alliance of Florida
- **Dr. Dorothy Jenkins Fields,** The Black Archives
- **Tracey Robertson & Christopher Carter,** Philanthropists

COMMUNITY READINESS LEADERSHIP KICKOFF

ADVANCING MIAMI'S DISASTER RESILIENCE

At the frontlines of climate risk, Greater Miami has always needed to stay prepared for natural disasters. In 2025 — a year marked by uncertain funding and dwindling federal reserves for disaster relief — we launched our first-ever **Community Readiness Leadership Kickoff:** a half-day of cross-sector collaboration of nonprofits, government agencies, and media partners to elevate our region's preparedness before, during and after a disaster.

KNOWLEDGE IN ACTION

To inform our community's readiness, last year, we surveyed 77 of Miami's Disaster Resilience Network nonprofits who are often the first responders when disaster strikes. Findings revealed service gaps in under-served neighborhoods and the need to rebalance services from response to mitigation.

Dig into all the learnings here and understand how our knowledge leadership work is preparing us for a more climate resilient future.

ACTIVATED PROFESSIONALS NETWORK

UNITING COMMUNITY-MINDED PROFESSIONALS FOR MIAMI

A 2,000-strong body of passionate Miami-Dade professionals, The Miami Foundation's **Activated Professionals Network** convenes to give back, deepen their understanding of the nonprofit landscape, and expand their expertise in effective charitable giving. In 2025, led by a **13-person steering committee**, together the Network:

SERVED on a beautification project by painting and landscaping at the **Belafonte Tacolcy Center**; and joined **Branches** to collect resources for back to school.

LEARNED how to be an effective Nonprofit Board Member by attending an Activated Professionals Network Lunch Seminar.

CELEBRATED at our "Gratitude Night" with our most impactful and energetic Activated Professionals Network Members.

COMMUNITY ENGAGEMENT

CONNECTING MIAMI FOR MIAMI

Powered by Frederick A. DeLuca Foundation

Our nonprofit partners are the backbone of our community, and we remain committed to supporting them. Powered by the generous backing of The Frederick A. DeLuca Foundation, The Miami Foundation meets partners where they are, with workshops and targeted expertise shaped by what nonprofits tell us they need most. In a year of unprecedented regulatory and budgetary change for nonprofits, we enabled several strategic connections:

We brought together donors and nonprofit leaders to elevate urgent needs in the areas of **LGBTQ+ rights, immigration, and food access, funneling over $1M** for these pressing priorities outside of our traditional grantmaking.

We provided pro bono legal support to nonprofits in need alongside legal partners like **McDermott Will & Schulte** and **Stearns Weaver Miller.**

We commissioned a landscape scan to identify service gaps and funding needs across the under-resourced South-Dade region, with plans to showcase findings to South Florida Funders network and other partners for solutions.

We strengthened nonprofit resilience by connecting 11 passionate leaders to nonprofits to serve as board members as part of our **Board Matching program**, in partnership with **Philanthropy Miami**.

We funded professionally produced **storytelling videos** for 5 organizations and partnered with community-driven media outlet **Impact Edition** to feature 2 more.

GENEROSITY

What impact did the collective generosity of 1,000 philanthropic entities and 60,000 households have on Miami ?

When thousands of people choose to invest in their city, Miami gets stronger and more connected. That commitment and your generosity helped us break records. To every partner, fundholder, and contributor: this is what you built in 2025.

GIVE MIAMI DAY

GENEROSITY THAT UNIFIES

We started **Give Miami Day** 14 years ago, determined to turn around troubling indicators about our community's civic health: low volunteerism, voter turnout, donation rates, and sense of belonging. **In 2025, we held the most generous Give Miami Day in history.** On November 20 at loanDepot Park, home of the Marlins, hundreds of nonprofit leaders, donors, volunteers, and partners gathered for an all-day Mission Control experience that transformed the stadium into a hub of generosity. We had countless opportunities to connect and take action, from a volunteer fair to working stations right on the field, alongside a quiet area in the lounge. We raised invaluable flexible dollars for nonprofits and energized giving with our first-ever 5K and a festival. Together, we helped power the vital work of over 1,400 nonprofits that address the issues that affect our community.

In partnership with **Radical Partners**, we offered several ways to help nonprofits get stronger for Give Miami Day and beyond. Our **capacity building** work supported organizations through workshops and peer-to-peer learning that forged connections and elevated priority needs. Past Give Miami Day Data revealed more than 1 out of every 3 small nonprofits has one month or less of cash reserves, leaving them strapped for funds. The nonprofit trainings helped these organizations strengthen their fundraising, outreach, communications and team management.

GENEROSITY SPOTLIGHT

RAPHAEL FAMILY FOUNDATION

When we dreamed up Miami's first-ever Give Miami Day 5K & Festival, we needed a partner willing to bet big with us. The Raphael Family Foundation didn't hesitate — just a couple of years into their presence in Miami, they became an
for these events and contributed their production partner to help bring thousands of Miamians together. Bold vision, generous action, and a partnership we're proud to build on.

More than 2,600 runners donated to run in support of 300+ nonprofits at the first-ever Give Miami Day 5K, with 3,400 attending the Festival. Our Parent Teacher Association partners raised $740K for our schools and participation at our 5K and Kids Dash.

COMMUNITY GRANTS 2025

GIVING WITH TRUST

The Miami Foundation's signature **Community Grants** program invests in Miami's greatest opportunities and most pressing issues. These grants are designed to provide steady funding to nonprofits working to address urgent issues across Greater Miami.

We listened: Miami's nonprofits told us that flexible funding is vital to serving the community and sustaining operations. Thanks to nearly 900 applicants and the dedication of our 100+ Community Advisors who helped us evaluate and select grantees, we awarded $7 million in Community Grants across seven funding priorities. Our trust-based approach means that our **127 grantees** decide how to use these flexible two-year grants.

Meet our 2025 Community Grants Partners here

> The flexible funds are a godsend, particularly at a time of significant operational transition as our core programs have evolved. This grant has allowed us to sustain programs and continue serving our community."

COMMUNITY CHAMPIONS

GENERATIONS THAT SUSTAINS

Philanthropy in Miami is most powerful when it brings people together around a shared purpose — turning individual generosity into lasting, collective impact.

Few stories illustrate this better than **G. Holmes Braddock**. From a Depression-era childhood and service in World War II to a lifelong commitment to expanding access to education, Mr. Braddock left an enduring mark on our community. After his passing in July 2025, his vision lives on through the **College Assistance Program (CAP)** which has united donors to award more than $15 million in scholarships to over 16,000 students.

That same spirit of collective giving continues to shape our work today. In 2025, **Daniel Lewis and Valerie Dillon** deepened their commitment with an additional three years and $1.3 million in support through the Arts Access Miami Momentum Grant — fueling the ongoing impact of Vocal Youth Miami, Evolutionary Arts, and Teeny Violini and their visionary leaders.

STRENGTH

What does a strong backbone for Greater Miami enable?

Our strength is in our numbers — not just in scale, but in what we achieve together. That collective power fuels deep partnerships, resilient systems, and bold investments, moving more than $100 million to our community year after year for five consecutive years. Read on to see where it leads.

THE JORGE M. PÉREZ FAMILY FOUNDATION AT THE MIAMI FOUNDATION

STRONGER TOGETHER

THE JORGE M. PÉREZ FAMILY FOUNDATION

In the fall of last year, Miami got together to celebrate a decade of the philanthropic impact of Jorge M. Pérez — a Cuban-American developer who came to Miami in 1968 with nothing but big dreams. The Miami Foundation stands proud that over thirty years ago, we were the chosen trusted partner to anchor **The Pérez Family Foundation's** charitable efforts. Together, we've strategized and acted on the family's commitment to developing South Florida as a world-class urban and arts center, making it a more vibrant and connected place to live. As we honored the Foundation's 10th anniversary and **all the community leaders that their work has supported**, we toasted this special relationship with the Pérez family spanning more than three decades.

This is one example of the hundreds of partnerships we are proud to house at the Foundation, and we strive to strengthen the impact of our partners' generosity.

STRENGTH IN SYSTEMS

A COMMITMENT TO EXCELLENCE

The building blocks of our strength start with our team, our processes, and our systems. Our Foundation acts when we see an opportunity to improve how we do what we do, if it can enable a bigger and bolder impact. This excellence translates to results:

Press Forward, a national initiative investing in access to local news, hosted at The Miami Foundation, was recognized as **FAST Company's Most Innovative Company** (Nonprofit category).

Our new and improved **Foundation website** and strategic communications grew our digital family by 14% on Instagram (to 22,000) and 29% on LinkedIn (to 15,000).

Our CEO, **Rebecca Fishman Lipsey** was repeatedly recognized for the strength she brings to Miami: **Chapman Partnership Take a Walk in Her Shoes** award, Top 100 (Ranked #10) **Women-Led Business in Florida by Women's Edge.**

We redesigned our **Fundholder Portal** for a world-class experience.

Our impactful CREO work was selected by the **Small Business Anti-Displacement Network (SBAN)** to be one of six national case studies on community owenership to exemplify an innovative model done well.

South Florida Business Journal Power Leaders in Corporate Philanthropy recognized our very own Rebecca Fishman Lipsey (CEO) and **Erin Knight (Board Chair).**

We laid the groundwork for the **CoLab**, an ambitious **downtown hub** where diverse stakeholders will co-create solutions and nonprofits will gain the collaborative space they need to grow their impact.

Our 40+ strong team translates our commitment to a Greater Miami where everyone can thrive, into action. More importantly, we do this by carrying our Foundation's values into our work, our homes, and our community.

Looking Ahead

MIAMI, ARE YOU READY FOR A BOLD AND TRANSFORMATIVE YEAR?

The Miami Foundation is creating new ways to give, learn, get involved, and celebrate so we can continue building a Greater Miami where everyone can thrive. We want you to be as excited as we are for what's in store in 2026. **Here's to a thriving Greater Miami.**

Build the CoLab: Miami deserves a home base where nonprofits, philanthropists, and community partners can think bigger, work together, and make change at scale.

Reach milestones in our generosity: You know our goal is to make Miami one of the most generous communities in the nation. We're on track to meet our goal of $1 billion in total giving by the end of this year — and we're only getting started!

Launch our Impact Hub: This new digital space will create open access to information on the issues that shape our region. We want to inspire all of Miami with insights from the leaders driving the changes we need. Our goal: Give every Miamian a chance to learn, care, and give more deeply.

Plan our anniversary: In 2027, we'll be celebrating the 60th anniversary of The Miami Foundation. It's our diamond jubilee, and you already know we're not afraid of a little sparkle. We'll be getting ready to celebrate the joy, leadership, and progress of our community with all of you.

Challenge what's possible at our 15th Give Miami Day: We'll need all of Miami to help us host the quinceañera befitting the nation's largest single-city giving day. Expect the return of our 5K & Festival, and new ways to support the nonprofits that make our city a home.
