

Donor Advised Grant Recommendation Form

To submit your request electronically, sign into the Donor Portal at miamifoundation.org/login.

As the Advisor to the below-referenced Fund, I recommend that the Board of Trustees of The Miami Foundation consider the following grant (one grant request per form). I understand and agree to the following **Grant Restrictions**:

- The Miami Foundation makes grants to 501(c)(3) public charities and government entities with United States affiliation, and will assist in processing international grants for which an additional fee may apply. Grants cannot be made to individuals.
- Grants cannot be made for memberships, fulfillment of legally binding pledges, tickets to events, or anything else that provides benefits to the Fundholder.
- Fundholders, their advisors, and related parties may not receive grants, loans, compensation or similar payments (including expense reimbursements) from Fundholders advised Funds.

The **deadline** to submit your grant recommendation(s) is Friday of each week for processing the following week. Recommendations received after the deadline may be delayed by one week. See the following page for additional **Grant Process** details.

Grant Process

- All grant recommendations are reviewed and approved by The Miami Foundation Board of Trustees.
- The deadline to submit your grant recommendation(s) is Friday of each week for processing the following week. Recommendations received after the deadline may be delayed by one week.
- To make our processes more paperless and efficient for our Fundholders:
 - If The Miami Foundation has bank instructions for the Grantee on file, grants will be processed as an electronic transfer (ACH). If the Fundholder would like to opt-out and have the grant issued as a check instead, that preference must be indicated on each grant recommendation form. There is no additional fee to process grants by ACH.
 - Copy(ies) of the grant letter(s) will be sent to the grantee, to all pre-selected Fund advisors and contacts on record.
- If the Fundholder would like to expedite delivery and send the grant via wire, a wire fee charge of approximately \$35 will be assessed to the Fund.
