

Technical Assistance (TA) Provider Grants

The Miami Foundation

Miami **Open** for Business

Supported by Wells Fargo

Open for Business offers grants and loans to historically underserved Miami-Dade small businesses and nonprofits in order to purchase assets. In addition, we are providing funding along 3 categories for TA providers to support our small business ecosystem:

Community Based Small Business Guides

\$75,000 / year for 2 years

Community-rooted, trusted providers in each OFB target neighborhood so that local and more informal small businesses can legitimize and optimize their operations.

A provider will be selected in each of the following neighborhoods:

Allapattah

Homestead and Florida City

Richmond Heights and West Perrine

Overtown

Liberty City and Little Haiti

Miami Gardens and Opa Locka

North Miami and North Miami Beach

Full-Service Nonprofit and Small Business Management

\$150,000 / year for 2 years

Organizations that can deliver more advanced business support services and capacity building to enterprises ready to scale (i.e., increase staff, introduce new products, grow market share, open an additional location, etc.).

Two providers will be awarded:

Nonprofit-Serving Provider

Small Business-Serving Provider

Workshop Series on Asset Building Topics

Ranging from \$4K-10K per series each year

Recurring, themed workshops related to the fixed assets supported by OFB (e.g., technology, remodeling, property, etc.) so that businesses can maximize their use.

A grant/contract will be awarded for each of 5 workshop series:

Digital Enablement

Digital Content Transformation

Purchasing Fixed Assets

Remodeling and Renovations

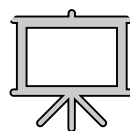

Commercial Real Estate Acquisition
